Data Protection Notice
EUAA Who is Who portal

1. Introduction

The EUAA is fully committed to protecting users’ personal data and respect their privacy. The collection and further processing of personal data by the EUAA is carried out in compliance with Regulation (EU) 2018/1725 (hereinafter “the EUDPR”).

This Data Protection Notice explains the reasons for the processing of your personal data, the way we collect, handle and ensure protection of all personal data provided, how that information is used and what rights you have in relation to your personal data. It also specifies the contact details of the responsible Data Controller with whom you may exercise your rights, the Data Protection Officer (DPO) and the European Data Protection Supervisor (EDPS).

2. Why and how do we process your personal data?

EUAA “Who is Who in International Protection Procedures in EU+ Countries” (hereinafter ‘Who is Who in International Protection portal’) is a publicly available database presenting several types of animated content data visualisations on various actors and stakeholders operating in diverse areas of international protection across the EU+ countries.

The EUAA does not collect personal data when a user visits the Who is Who portal unless the user consents to provide such information. A visitor or authorised editor of the Who is Who in International Protection portal is requested to consent to the processing of data related him/her by EUAA in the manner and for the purposes set out below:

a) If you visit the platform to read or consult information:
The EUAA collects information on platform usage for the purpose of analysing the use of the platform, compiling aggregated web analytic reports related to the platform activity and providing other services relating to the platform activity and internet usage. The EUAA will not associate a user’s IP address with any other data it holds.

b) If you identify yourself by sending an e-mail containing personal information through the platform contact form
You may send us personal information in an electronic e-mail message through the platform. This information is used solely for responding to your requests. If you have any questions about the processing of your e-mail and related personal data, do not hesitate to include them in your message.

c) If you respond to an online request for personal information:

---

The information requested by the EUAA will be used to respond to your enquiry or to provide you with the service associated with the request. When this information is requested, a specific privacy statement will describe fully the reasons for collecting it and will provide a description of the EUAA’s intended use of the information.

The purposes of the processing are the following:

- Creation of EUAA user accounts for editing content;
- Compiling aggregated web analytics related to usage of the platform.

3. On what legal ground(s) do we process your personal data?

Pursuant to Articles 5, 6, 41(1)(o), 47(5)(l) of the EUAA Regulation, the EUAA has the mandate to gather and analyse information, inter alia by creating and maintaining databases and web portals, on the situation of asylum in the Union and in third countries insofar as it might have an impact on the Union, including up-to-date information on root causes, migratory and refugee flows, the presence of unaccompanied minors, the overall reception capacity and resettlement needs of third countries, and possible arrivals of large numbers of third-country nationals which might subject the Member States’ asylum and reception systems to disproportionate pressure, with a view to providing timely and reliable information to the Member States and to identifying possible risks to the Member States’ asylum and reception systems.

Consequently, the processing operation is lawful under point (a) of Article 5(1) of the EUDPR given that it is necessary for the performance of the tasks that the Agency has been vested with by virtue of its mandate. To the extent that processing of personal data is based on consent obtained by data subjects, such processing is lawful also under point (d) of Article 5(1) of the EUDPR.

4. Which personal data do we collect and further process?

The following personal data related to individual users/visitors and EUAA staff members (Contract and Temporary Agents and temporary agency workers) are collected and further processed:

**Identification details:** name, username, function, e-mail addresses.

5. How long do we keep your personal data?

In line with Article 4(1)(e) of the EUDPR, personal data shall be kept in a form which permits identification of data subjects for no longer than is necessary for the purposes for which the personal data are processed.

---

Personal data related to subscription to newsletters or other bulletins is retained in the Information and Analysis Sector until the platform ceases to operate or until users decide to unsubscribe from the newsletter or bulletin.

6. Who has access to your personal data and to whom is it disclosed?

The data collected by the EUAA Who is Who in International Protection portal is shared only with personnel responsible for the day-to-day operation of the Who is Who portal and management of the system.

Specifically, the following recipients have access to your personal data:
- EUAA’s Information and Analysis Sector;
- EUAA’s ICT Unit.

7. How do we protect and safeguard your data?

For website security purposes and to ensure that the Who is Who portal remains available to all users, network traffic is monitored to identify unauthorised attempts to exploit or change information on this website or otherwise cause damage or conduct criminal activity.

Anyone using this website is advised that if such monitoring reveals evidence of possible abuse or criminal activity, results of such activity might be provided to the appropriate authorities in line with the applicable rules.

Taking into account the state of the art, the costs of implementation and the nature, scope, context and purposes of processing as well as the risk of varying likelihood and severity for the rights and freedoms of natural persons posed by the processing, the following security measures are applied:
1. The pseudonymisation and encryption of the data;
2. The ability to ensure the ongoing confidentiality, integrity, availability and resilience of processing systems and services;
3. The ability to restore the availability and access to personal data in a timely manner in the event of a physical or technical incident;
4. A process for regularly testing, assessing and evaluating the effectiveness of technical and organisational measures for ensuring the security of the processing;
5. Personal data will solely be processed by authorised personnel who are:
   a. granted access to the personal data on a need-to-know basis;
   b. familiar with the obligations stemming from the applicable data protection rules;
   c. regularly trained in the care, protection and handling of personal data;
   d. authorized to process the personal data; and
   e. subject to a duty of confidentiality (either as a statutory or contractual obligation);
6. Additional particular security controls: The EUAA ICT has implemented and maintains the following security controls for user data, consistent with global cloud service provider industry best practices, including:
a. Controls, Policies & Procedures: Appropriate technical and administrative controls, and organizational policies and procedures;
b. Named person in the role as a dedicated Information Security Officer (ISO) with focus on security in all areas of the EUAA business;
c. Logging: System and application logging where technically possible, whereas EUAA ICT retains logs for a maximum six (6) months and verifies such logs periodically for completeness;
d. Malicious code and/or software: Malware prevention software (e.g. antivirus) is implemented on the technical infrastructure where applicable;
e. Traffic inspection: Vulnerability exploit inspection is implemented on the technical infrastructure where applicable.

7. System Security: System and IT security controls at EUAA ICT follows industry best practices, including:
   a. A high-level infrastructure diagram, which can be provided upon request:
   b. A mix of industry standard cloud and software firewalls to dynamically limit external and internal traffic between our services;
   c. A program for evaluating security patches and implementing patches using a formal change process within defined time limits;
   d. Ad-hoc penetration testing by an independent third party, with a detailed written report issued by such third party and provided upon request;
   e. Documentation of identified vulnerabilities ranked based on risk severity and corrective action according to such rank;
   f. Password policy controls are implemented to protect data, including complexity requirements and multi factor authentication where available.

8. Do we transfer any of your personal data to third countries or international organisations (outside the EU/EEA)?

This processing activity does not entail any transfers of personal data to third countries or international organisations (outside the EU/EEA).

9. Does this processing involve automated decision-making, including profiling?

This processing activity does not involve automated decision-making, including profiling.

10. How do we use cookies?

Cookies are small bits of data sent by a website server to the browser on your computer. The browser tells the server when you next visit that website.

The EUAA uses cookies to enhance platform performance, store user preferences and gather web analytics. Information from cookies is not used to identify a user personally.

The Who is Who in International Protection portal uses Matomo Analytics (formerly Piwik) to gather website visit information. Information generated by the cookies will be stored on EUAA servers to
process usage statistics. By using the EUAA Who is Who in International Protection portal, you consent to the processing of your personal data by the EUAA. The Who is Who portal provides opt-out options to refuse the use of cookies.

Cookies can be deleted, and most browsers can be set to prevent them from being placed. However, preferences will have to be manually entered each time a site is visited, and some services and functionalities may not work.

Cookies help us to store user preferences and track usage trends on an aggregated basis. Read more about EUAA’s Cookie Policy on the EUAA’s official website.

The information we collect is only used to compile web analytics, on an aggregated basis, on the usage of Who is Who portal or to resolve inquiries related to the editor’s access to the platform.

Log Information
Servers automatically record information that your browser sends whenever you visit a website. These server logs may include information such as the date and time of your visit, your Internet Protocol address, browser type, browser language, browser screen size, and one or more cookies that identify your browser. The information we collect is only used to compile statistics, on an aggregated basis, on the usage of EUAA websites.

11. What are your rights as a data subject and how can you exercise them?

According to the EUDPR, you are entitled to access your personal data and to rectify it in case the data is inaccurate or incomplete. If your personal data is no longer needed by the EUAA or if the processing operation is unlawful, you have the right to erase your data. Under certain circumstances, such as if you contest the accuracy of the processed data or if you are not sure if your data is lawfully processed, you may ask the Data Controller to restrict the data processing. You may also object, on compelling legitimate grounds, to the processing of data relating to you. Additionally, you have the right to data portability which allows you to obtain the data that the Data Controller holds on you and to transfer it from one Data Controller to another. Where relevant and technically feasible, the EUAA will do this work for you.

Should you require further information regarding the processing of your personal data, or should you wish to exercise any of the above-mentioned rights, you may contact the Data Controllers, i.e. the Head of the Situational Awareness Unit (ids@euaa.europa.eu) and/or the Head of the ICT Unit of the Agency (ictu.datacontroller@euaa.europa).

You may always submit queries, remarks or complaints relating to the processing of your personal data to the Data Protection Officer (DPO) of the EUAA by using the following e-mail address: dpo@euaa.europa.eu.

In case of conflict, complaints can be addressed to the European Data Protection Supervisor (EDPS) using the following e-mail address: edps@edps.europa.eu.
